BOARD APPOINTS LUTZ AS DIRECTOR OF HEALTH AND HUMAN SERVICES AGENCY

The Tulare County Board of Supervisors has appointed Timothy Lutz as the Director of Tulare County Health & Human Services Agency (HHS) effective January 7, 2019.

We are glad to have someone with Tim’s capabilities in this role and welcome him back to Tulare County,” stated Tulare County Board of Supervisors Chairman, Steve Worthley.

As the Health & Human Services Agency (HHS) Director, Lutz will oversee HHS’s workforce of approximately 2,000 employees and its four branches of daily operations: Human Services, Public Health, Mental Health, and Fiscal Operations. Lutz fills the position previously held by Jason T. Britt, who was recently appointed to the County Administrative Officer position.

“We are pleased to have found a director familiar with the agency and Tulare County,” shared County Administrative Officer, Jason T. Britt. “I look forward to working with Mr. Lutz and implementing the policies set forth by the Board.”

Lutz has worked in the public sector for over 12 years bringing a wealth of knowledge in varied areas of government programs and services including: fiscal operations, human resources, social services, aging and veteran services, environmental health, animal services and administration. Lutz comes to Tulare County after previously serving as the County Administrative Officer for Calaveras County in San Andreas, California.

Lutz earned his bachelor’s degree in psychology and his master’s in business administration from California State University, Fresno. As Agency Director, Lutz’s base salary will be \$171,289.

“I am very excited to be returning to Tulare County and the Health & Human Services Agency,” stated Lutz. “The Agency does tremendous work at preserving and enhancing the critical safety net, health, and well-being of County residents and I am honored to be serving as the Agency Director. I want to thank the Board of Supervisors for their support in appointing me to this position.”
